

Website Policy

1. Content Archival Policy:-

The content components are created with meta data, source and validity date. There would be some content which is permanent in nature and for such content it is assumed that the content would be reviewed in every ten years unless it is edited / deleted based on requirement. The content shall not be displayed on the Website after the validity date. Some of the short lived content components like tenders, recruitment etc., which will not have any relevance on the website after the intended purpose.

The content components like documents, reports, latest news is regularly reviewed as per the Content Review Policy. The content is reviewed at least two weeks prior to the validity date and if required content will be revalidated and validity date is modified. If content is not relevant, then the content is archived and no longer published on the Website. The above mentioned policy is in force and will be followed while maintaining the website.

2. Content Contribution, Moderation and Approval Policy:-

Content would be contributed by the authorized Content Manager in a consistent fashion to maintain uniformity and to bring in standardization along with associated meta data and keywords. In order to present the content as per the requirement of the viewer, organize the content in a categorized manner and to retrieve the relevant content efficiently, the content is contributed to the website through a Content Management System which would be web-based having a user-friendly interface.

The content on the website goes through the entire life-cycle process of:-

- Creation
- Modification
- Approval
- Moderation
- Publishing
- Expiry

Once the content is contributed it is approved and moderated prior to being published on the Website. If the content is rejected at any level then it is reverted back to the originator of the content for modification.

“BPSSC” has prescribed the appropriate Moderator & Approver for each of the content element.
